**DETAILED ACTION**

1. This application is in condition for allowance except for the following formal matters:

***Drawings***

2. The drawings are objected to under 37 CFR 1.83(a). The drawings must show every feature of the invention specified in the claims. Therefore, the remote control of claims 35 & 38 must be shown or the feature(s) canceled from the claim(s). No new matter should be entered.

Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Art Unit: 3612

***Claim Objections***

3. Claims 35-37 are objected to because of the following informalities: claims 35-37 depend off of canceled claims 1 and 2. This is inappropriate and perhaps claims 35-36 should depend off of claim 34 and claim 37 off of claim 35. Appropriate correction is required.

4. Claims 34 and 38 are objected to because of the following informalities:

In claim 34, lines 8 and 10, the phrase “moved in becoming engaged” is an awkward phrase and should perhaps be “became engaged”.

In claim 38, lines 8 and 10, the phrase “moved in becoming engaged” is an awkward phrase and should perhaps be “became engaged”. Appropriate correction is required.

***Allowable Subject Matter***

5. Claims 34-40 are objected to as containing a minor informality or as being dependent upon an objected base claim, but would be allowable if rewritten to overcome the informalities set forth above.

***Conclusion***

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
